### Church Family.....

Darrell Horn completed his 4th and last Sunday as our supply pastor. Darrell will continue to work with PGBC on the healing process over the next few months. I know we all have enjoyed his short tenure with us and look forward to working him in an advisory role in the coming months.

The Deacons have met with two candidates to fill the interim pastoral role. In the next two Sundays, we have asked that each one supply preach so we can get to know each other. Hopefully, a decision can be made in a couple of weeks and our next step of the recovery process can proceed.

On the sad note, Mr. Edward Osei has passed away and we need to remember the Osei family in our prayers during this time of morning.

We continue to have a great outreach in both the youth with this weekend activities and the upcoming mission trip to Nicaragua. We still have a need for one scholarship for the Nicaraguan trip.

God has truly blessed PGBC with an opportunity to heal from our past and set us on a new road to reaching out in the FM 359 area. On behalf of the Deacons, I want to thank our PGBC members for your support as we covet your prayers especially in this transition time.

In Christ,

Hardy Thomas  
PGBC Chair Deacon

### Women's Ministry.....

***Ladies, do you want to leave a lasting legacy?*** Then come join us on March 13th @ 9:00 a.m. in the chapel for ***Lifting Lambs to Higher Ground***-- A Panel Discussion on Raising Godly Children. This panel discussion will help equip you to teach your children and your children's children to seek after Jesus Christ and His righteousness. Training techniques from tots to teens will be covered. All moms, grandmothers, and women please plan to attend. Childcare is available upon request. Please contact Martha Kalkomey @ [mskalk@sbcglobal.net](mailto:mskalk@sbcglobal.net)

The women of Pecan Grove Baptist Church have an opportunity to minister to the women in Nicaragua. They are in need of simple first aid supplies like triple antibiotic ointment and Band-Aids of all sizes. Titus II women's ministry will be collecting these items now through March 15th for the missions team to take. There will be a basket in the foyer of the CLC where you can place your donated items. Please prayerfully consider how you might minister to the women in Nicaragua.

### Youth Ministry.....

Disciple Now is this Weekend! I am excited for this weekend and know that God will move mightily in the lives of our teens. Please be in prayer for our teens.

Pray for:

- Safety as they travel across town to and from the event and mission project
- The leaders as they prepare to build relationships and minister to the teens in small groups.
- For the speaker, Justin Hyde, that he would rely on the Spirit of truth and revelation to communicate God's word effectively.
- For the worship leader, Gatlin Elms, that he would educate our students about true worship, and lead them in worship of our Lord and God.
- Finally for the students

- That, turning to the Lord, they would repent from their sins
- That they would find their value and love in him and not the world
- That they would be attentive to his voice and obedient to his call for their lives
- That any who have not placed their faith in Christ for Salvation would do so this weekend
- That the baggage that so many students carry—unforgiveness, addiction, self-loathing, guilt, despair—would be laid at the feet of Jesus
