## From the Pastor.....

Church Family,

Plan on being a part of our **BRAND NEW WEDNESDAY NIGHT EXPERIENCE** starting **TONIGHT AT 6:30!** **The Zoo** starts tonight for kids ages 3 to 5<sup>th</sup> grade in the worship center. **University** starts tonight for adults in room 3202 (Legacy Bible study class room). **Prayer meeting** happens in the Prayer Room. **Worship Ministry** is happening in the music room. And, of course, **Checkpoint** for students is on at 6:30 in the chapel. We have added two wonderful ladies in our nursery care for all of us with little ones. **Make your Wednesday nights a night that advances your life in the Kingdom of God.** Don't just drop your kids off at the Zoo and go home – serve in the Zoo or Student Ministry or Worship, come to U or Prayer!

The Apostle Peter lists moral excellence, knowledge, self-control, perseverance, godliness, brotherly kindness, and love as qualities we need. Then he says in 2 Peter 1:8, *“For if these qualities are yours and are increasing, they render you neither useless nor unfruitful in the true knowledge of our Lord Jesus Christ. For he who lacks these qualities is blind or short-sighted, having forgotten his purification from his former sins.”* Make Wednesday nights part of your effort to increase these qualities in your life and increase your usefulness in the Kingdom of God to bring others to full life in Jesus.

And do not forget that Monday night University starts this Monday. Ken Moore is teaching **Personal Evangelism** – if you struggle in regularly sharing Jesus, you need to take this class. Sharing Jesus is a lot easier and natural than you think it is! And Bonnie Walker is teaching a class for the women on the **life of David**. What a great and complex man who experienced tremendous highs and lows. This is going to be a wonderful study and time of fellowship. Both classes are from 6:30-8:00.

Finally, Whitney Larson's **Living Words Bible study** starts this Tuesday at 9:30. A verse-by-verse come-as-you-are ask whatever you will class. *Childcare will be provided for all classes.*

If you have not signed up for any of these classes yet, you can either email me OR just show up. If you need childcare, please email in advance to make sure we have enough workers.

**God is building GREAT lives and a GREAT church!**

Pastor Jim

P.S. We have discovered the identity of the guilty party responsible for taking the arms off Mr. Mark's chair. Our own CSI crew found incriminating evidence, the person has confessed, and will be revealed this Sunday morning!

## Women's Ministry.....

## Worship Ministry.....

If you look *worship* up in the dictionary, most dictionaries are going to have four basic definitions – two as a verb and two as a noun. The noun for states: 1. a prayer meeting, church service of other rite showing reverence for a deity. 2. intense love or admiration of any kind. The verb form states: 1. to show religious reverence for. 2. to have intense love or admiration for.

The biggest question is “What does worship mean to you?” Are you totally noun driven or has worship become a verb and become relational through the love and admiration for the Savior. I guarantee it will dramatically change your worship. Think about it next time you’re in a worship service – “How can I get from a noun to a verb?”

## Youth Ministry.....

Checkpoint will meet tonight from 6:15-8:00 p.m. If you are looking to get involved with Axis Student Ministry Checkpoint is a great way to do it. We have fellowship, games, worship, and bible study that is targeted at Students in Middle and High School. We are continuing in our series of “Christ on Campus” so if you are wondering how to live for Christ in your secular school tonight’s message is for you.

## Properties.....

**Do you have fun doing demolition?**

**Do you enjoy building and construction?**

**Do you get satisfied from a job well done?**

Is the Lord calling you to do these things at church?

Come be a part of the Properties Ministry!

Here are a few of the open positions:

- Landscape Coordinator
- Special Projects Manager
- Subject Matter Expert (plumbing, carpentry, other)
- Folk who just want to help
